Instructions for Students

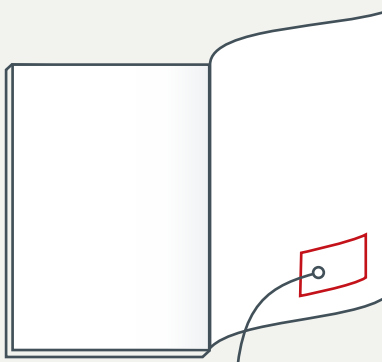

Activate your account

You can access the Student Online Resources from a desktop PC, a notebook, a tablet or a smartphone.

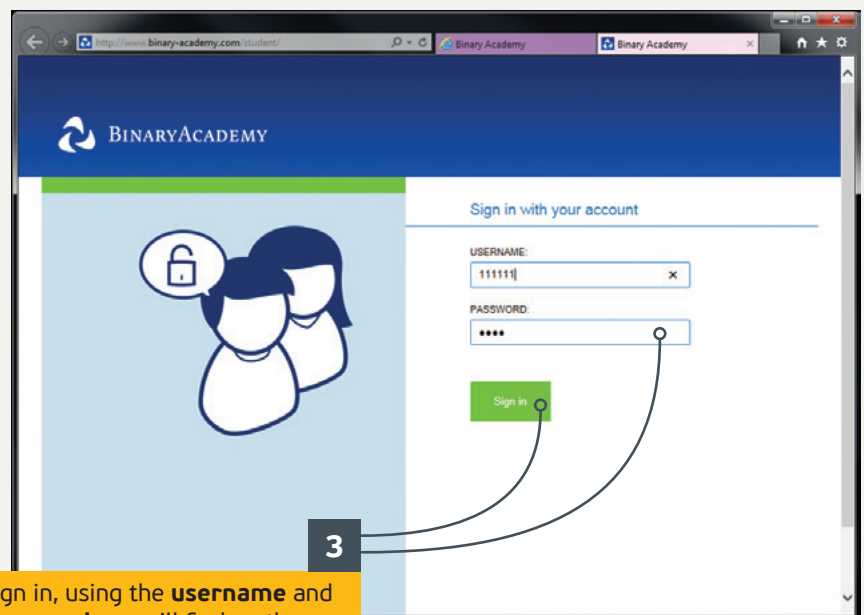

1 Go to our website www.binary-academy.com

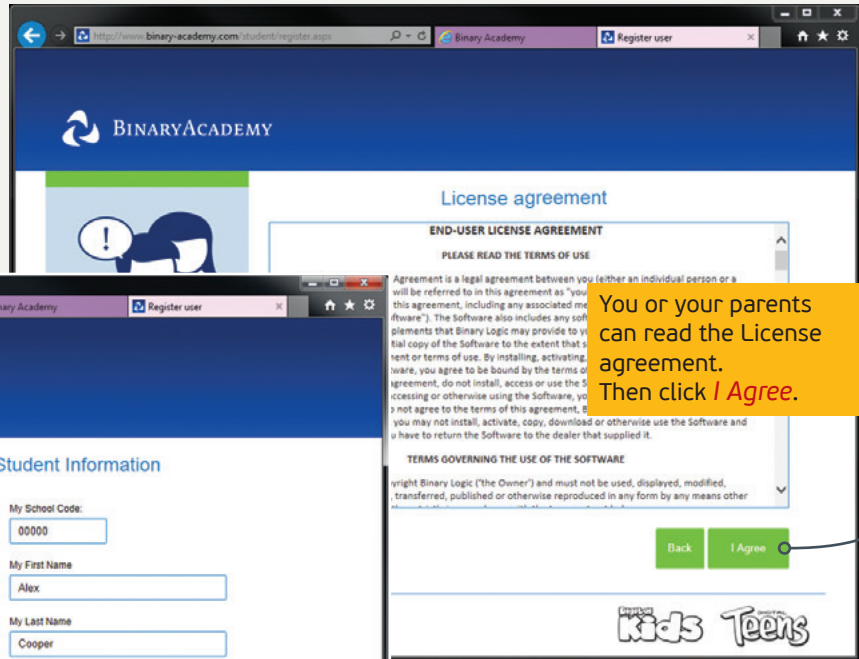

2 Click *Student Online Resources*

Digital Kids Flyer
Username: **111111**
Password: **xatw**
School Code:
Binary Logic SA www.binary-academy.com

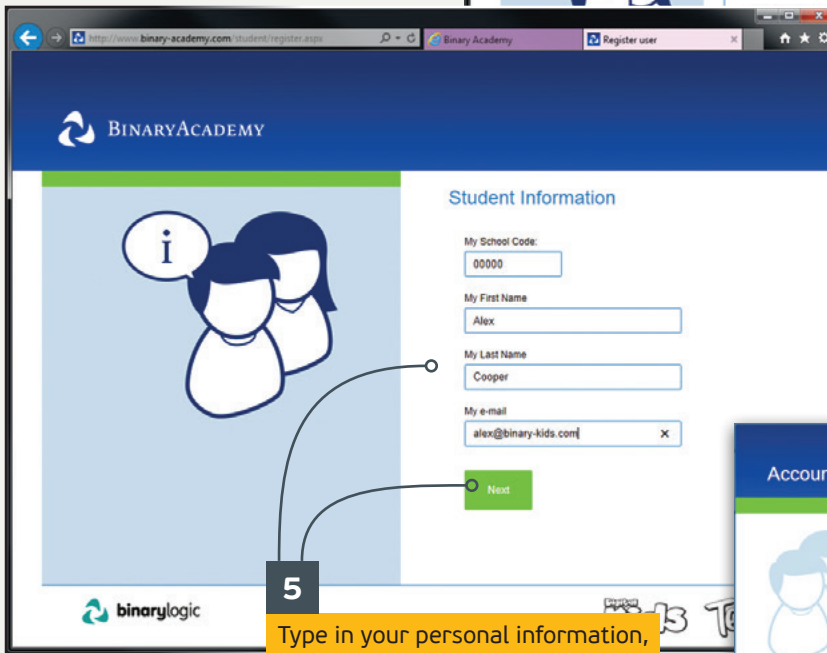

3 Sign in, using the **username** and **password** you will find on the inside of your book's back cover.

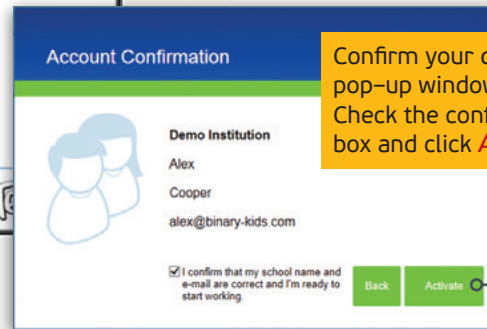

You or your parents can read the License agreement. Then click **I Agree**.

4

Type in your personal information, as in the example. The school code has been given to you by your teacher. Click **Next**.

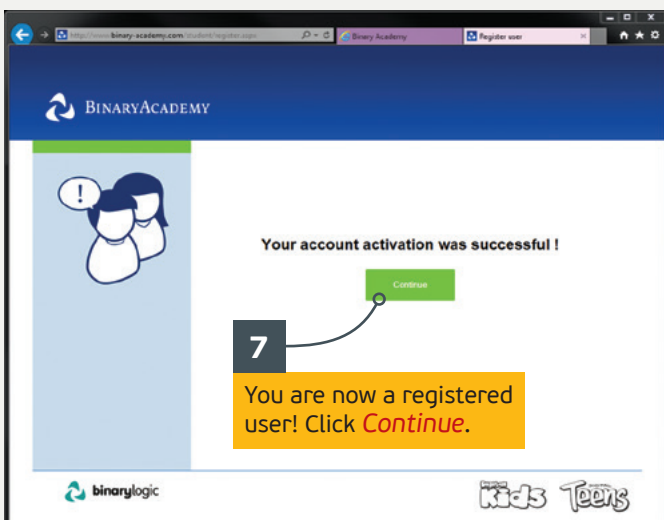

5

Confirm your data in the pop-up window. Check the confirmation box and click **Activate**.

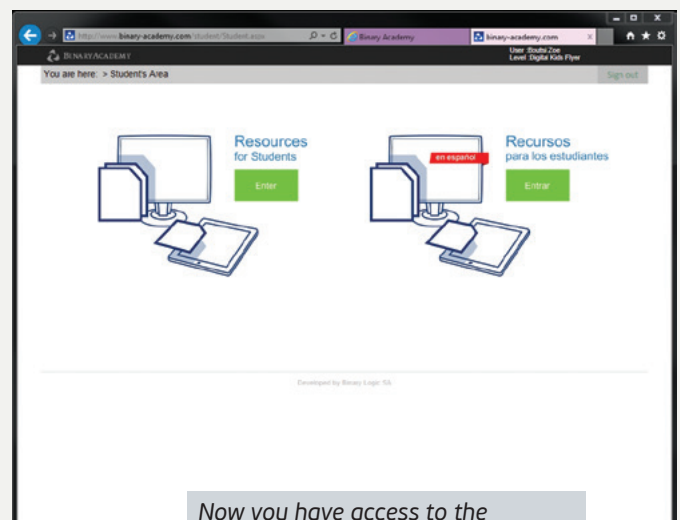

6

! Your email is optional. We will never use your personal information for anything other than your ICT course.

You are now a registered user! Click **Continue**.

7

Now you have access to the Student's Area, where you can find all the Resources for Students.
